PROFESSIONAL SUMMARY

Web Developer with 4+ years of experience building and deploying websites for nonprofits, startups, and growing businesses. Currently freelancing with multiple companies, delivering custom websites and e-commerce solutions that help businesses establish an online presence and sell web-based products. Recently earned the AWS Certified Solutions Architect (SAA-C03), strengthening my ability to design scalable, secure, and cloud-ready solutions. Open to new opportunities and collaborations.

EXPERIENCE

Information Technology Analyst - NYSC

Bakangizo | Abuja, Nigeria | Apr 2026 - Present

Driving technical efficiency and brand consistency by bridging the gap between internal infrastructure support and digital asset creation. Ensure seamless daily operations across software and hardware systems while elevating visual identity through premium design work.

- **Systems Admin & Support:** Administer and troubleshoot critical enterprise platforms, providing specialized technical support for Odoo and PHP Point of Sale (POS) software.
- **Infrastructure Maintenance:** Deliver comprehensive internal IT support, proactively resolving complex network connectivity issues and routine hardware troubleshooting.
- **Executive Design Support:** Conceptualize and develop specialized, polished design materials directly for the MD/Owner.
- **Digital Branding:** Produce high-resolution creative assets for social media campaigns, focusing on clinical, professional aesthetics.
- **E-commerce Management:** Optimize the digital storefront by uploading product catalogs, imagery, and details to the website.

Web Developer (Freelance)

Freelance | May 2022 - Present

- Designed and deployed websites and e-commerce platforms for nonprofits and small businesses.
- Built custom WordPress themes and plugins to meet client-specific needs.
- Implemented hosting, domain management, and basic cloud deployments using AWS and shared hosting platforms.
- Improved website performance, SEO, and security for multiple clients.

Web Designer

Chuga Rex Limited | Lagos State, Nigeria | Mar 2024 - Aug 2024

- Developed responsive websites and landing pages for corporate clients.
- Collaborated with cross-functional teams to translate business requirements into functional UI/UX designs.
- Managed website updates, content integration, and performance optimization.
